

Instructions for filling in the application - PLEASE READ

Applications for staff and volunteer involvement at the Quest will be considered upon submission of a completed Application Form.

Please give as much details as possible as this will help us to make an informed decision about your involvement this summer.

There are some paid positions at The Quest and some volunteer positions. Please indicate which one you are applying for.

With many of the paid positions, the employee will be required to raise some support to help offset their costs. This will be done with our help. Upon successful application we will send you a letter that you can send out to churches/friends colleagues asking them to support you as a ministry worker over the summer. Each applicant will be required to send out letters to raise support.

These are some notes regarding what we will need as an application;

1. Please write a testimonial as to why you would like to be a part of the ministry team up at The Quest this year.
2. 3 references (employer, character and community leader/pastor).
3. Completion of all sections of the Application Form.
4. If you are over the age of 18 you will need to submit a current Criminal Records Check. This may be processed after submission of application, however participation in the Quest will be pending a satisfactory Police Records Check.

Hope to see you over the summer and all the best with your application.

Blessings
